

## How to download Software on USB Flash Drive

1. Insert USB stick into PC
2. Select the software version for you model by clicking on the 'Download' section of the Software Update section of the website ***www.strong.com.au***.
2. A window will appear on the screen, select 'Save' option and save the file to your USB stick.
3. Remove you USB Drive from PC and plug into USB Port on your Set Top Box or DVR.
4. Turn the unit Power switch off and then back on again, the software will automatically load onto your SRT 5494.
